

AEROPAC filed an amended report to the 30-day Post General Report on January 16, 2007 due to the following reasons:

1. Incorrect Covering period previously reported, now corrected to read, 10-19-06, rather than 10-21-06
2. Individual Contribution from Gerald Reinsma (\$1,500) was deposited to bank account on 11-29-06, which was outside the covering dates. Assistant Treasurer Jill Wyman was under the impression that the date the check was received (11-27-06) was the date to report. However, after clarification, the date the check was deposited is the date to report.

Finally, AEROPAC also filed an amended report to the Year End Report to account for the Gerald Reinsma check (noted above) deposited on 11-29-06.
